Experience

Capsens, Paris, France

Sep 2015 – Dec 2015

Fullstack Web Developer
(Contract)

- Delivered features for exporting campaign contributions to csv/pdf and refined project creation workflow for HappyJ.fr.
- Developed profile and project creation workflows, administrative panel and project showcase in a 2 week timeframe for Ekosea leading to over 20,000€ raised since launching in December 2015.
- Implemented unit tests with Rspec, Factory Girl and Capybara to meet Capsens quality standards.
- Used hstore in postgresSQL to adapt client application for multilingual project attributes storage.

Komodo Cruises, Labuan Bajo, Indonesia

Nov 2013 – Nov 2014

Cruise Director, PADI Dive Instructor (OWSI)

- Gained fluency in Indonesian allowing effective management of 9-person crew who spoke no English.
- Safeguarded 300+ guests on ~800 dives without incident in the protected marine sanctuary surrounding Komodo National Park known for treacherous currents.
- Delivered guest experience reflective of \$300 per night booking rate by providing 4x daily dive briefings, tailored dive plans and accommodation of unique limitations.
- Provided certification for divers ranging from beginner to dive guide as a PADI certified Dive Instructor with over 2000 logged dives.

La Marque Rose, Paris, France

Apr 2009 – Aug 2009

Translation Intern

- Proof-read 50+ episodes and translated scripts from TV Show favorites such as Nanny 911 and Cops and gaming titles including Buzz, FIFA and NBA live.
